# Login Information

1. Use the login credentials you received in your welcome email to log in to OneSource.
2. **You cannot change or reset your password.** The CSD/Help Desk will update your password.
3. If your credentials are not working, contact the CSD/Help Desk at (800) 416-6505 or by email at support@marketsource.net.

Technical Issues

If you experience an issue accessing the OneSource site or course content, please do the following:

1. After logging into OneSource, confirm that your device meets the minimum system requirements. If the system test does not automatically run, select the **System Test and Support** link under the **Help & Support** tab.
2. Try using a different browser [e.g., Internet Explorer, FireFox, Chrome, Safari, etc.].
3. Attempt to access from another computer or device.
4. Log an issue directly through OneSource. On the **Support & System Test** page, click **Submit/View Support Ticket**, and then follow the prompts.

NOTE: The MarketSource CSD/Help Desk cannot assist with issues accessing the site on personal mobile devices.
